Riddle Me This

First four residents to tell Malyn Saunders the correct answer will win a free meal from the Nosh Café.

"I'm a word that's hardly there. Take away my start, and I'm an herbal flair.
What am I?"

January Riddle Answer:

With this type of riddle the idea is to simply add two words together to make another word. But you have to work out what the two words are first.

1. Skin blemish + Large Pig =?
2. Arm appendage + Not sit =?
3. Public transport vehicle + Young male =?

ANSWERS:

1. Wart+Hog= Warthog
2. Hand+Stand= Handstand
3. Bus+Boy= Busboy

If you would like to receive the newsletter through email, or provide submissions for future issues please email Malyn at mrsaunders@zarrowpointe.org, by visiting her at our Aquatic Center or she may be reached at 918-496-8333, extension 311.

The Challenges of Vision Loss - Living Life Without Limits

Thursday, February 7th ~ 2:30PM
Burnstein Auditorium

Since 1949, NewView Oklahoma has empowered individuals facing vision loss by maximizing their opportunities to live life without limits. NewView provides comprehensive services through all ages and stages of a person's life as they navigate life without sight. NewView is the only private in-state provider of comprehensive services for people with significant vision loss that cannot be corrected with glasses, surgery or medication. NewView has low-vision clinics in Oklahoma City and Tulsa and serves clients in every county in the state of Oklahoma. NewView is also the largest employer of blind and vision impaired individuals in the state of Oklahoma.

Kim Guirl has a Master's in Occupational Therapy and is currently serving NewView as the Director of Clinical Services of their Tulsa location. She joined the company 2 and half years ago as a low vision therapist. Her favorite part is seeing hope return to her patients' faces.

Kim and her team will be speaking about the helpful services that NewView Oklahoma offers along with the free assistive technology classes they will be offering to residents at Zarrow Pointe.

Never Stop Laughing

A young man was planting some flower seeds on a sweltering day, sweating from the hot sun.

His neighbor said, "You need to wait until the sun goes down, or plant in the morning when it is coolest."
The man said, "I can't do that. It says on the package, 'Plant in full sun!'"

Our Mission

Provide vibrant and inclusive living, learning, and care throughout the progression of life.

Our Vision

To re-imagine senior living and instill passion in a life where dreams never retire.
