

THE CALENDAR IS BACK!

We are happy to once again begin featuring an event calendar in our monthly newsletter.

While we continue to maintain social distancing guidelines we would like to begin offering smaller group activities on a more formal basis.

Another outdoor concert is also planned for June. We will be watching the weather forecast and when we have a date you will be notified by email or flyer.

We realize that it is not always easy to plan your day's activity ahead; however if you see an event that you would like to attend, signing up with our activity department would be appreciated. If movies require additional showings due to the number of responses we receive, we will be happy to arrange them.

You may contact us by email or by phone if you prefer. Please sign up with Carol Stanley by calling 918-496-8333, extension 241 or email to: cstanley@zarrowpointe.org.
