

Kaiser Health Center

Compassionate Care, Skilled Nursing & Rehabilitation

The Kaiser Health Center provides long-term skilled nursing care and short-term skilled rehabilitation embedded in Zarrow Pointe. Friends, physicians and activities are all close at hand in this diverse senior-living community.

At Zarrow Pointe, we place an emphasis on lifelong learning. Our program offerings go beyond traditional wellness activities and social events, providing our residents with opportunities to enrich and engage.

The Kaiser Health Center is just one of our many living options at Zarrow Pointe. No matter which living option best meets your needs, our professional staff encourages opportunities for growth and learning, while providing the utmost care.

Community

Trivia nights, musical performances and resident parties are just a few of the activities offered in our community spaces. These gathering spots encourage residents to interact with others and remain active.

Town Center

Recently completed, there is always something to discover at the Town Center. Caregivers can bring residents to the café to share a meal at this campus hub.

Pool

Our heated, saline pool can be used for recreation, relaxation or therapy. This new indoor pool is equipped with ramps for additional accessibility and comfort.
